JIMMIE FIDLER IN HOLLYWOOD

Hollywood, May 12—Strawberry blonde \name{Carmen Landler}, known as \textit{Fido} and \textit{Fauna}, was scheduled to leave tomorrow on a one-month trip to Europe where she will continue to be in demand. She is expected to be in Paris next week.

The movie studio headQUARTERS has announced that Miss Landler has signed a contract with a leading European producer to make a series of films in France, Italy, and other countries. The films will be produced under the direction of a well-known director.

\textbf{Showtime} (Continued from First Page)

The showtime program, which is to be broadcast on National Radio Network, will feature the latest news and highlights of the world of show business. The program will be hosted by a well-known personality in the entertainment industry.
