Please find my nurse! LAURA (BCMC Peds)

Hello;

Please please please God, and CL help me find my nurse from the BCMC hospital in 1984. I was mauled by Pit Bulls on March 19th, 1984, and this woman was amazing to me. Her name is Laura. Sadly, that's all I know of her. I have posted her picture in hopes that someone recognizes her. She was my angel when I was a child, and she used to call me Angie Boo. Please share this pic on FB if you want, I am in desperate need. My heart has missed her all these years, and it would be such a gift to find her. If you repost this pic, please tag me, my name is Angela Moroco. Thanks a million.
