It is with the deepest sadness imagined that we tell you of the tragic loss of our young, sweet, irreplaceable meat inspector, Ms. Michelle Wilcox. Michelle was a professional inspector in every sense of the words and we considered her part of our farm family. She never met a stranger here at our farm and her eyes always sparkled. She had a beautiful smile on her face every morning that we started the day with her. Many of you knew her boyfriend, Devin from the farmers markets and restaurants that we serve. Please keep her parents and all of us in your prayers. Michelle will be forever missed by us all.
