Gopher's Info...

I am already neutered, housetrained, up to date with shots, not good with dogs, and not good with cats.

Gopher's Story...

This is Gopher and he's a volunteer favorite around here! He is a total lovebug and loves everything involved with snuggling. Hugs, kisses, cuddles on the couch and blankets. He also enjoys going on walks and playing. If you'd like to meet Gopher, please contact Ashley at the South Hills Pet Rescue at 412-951-2856 or email shpr88@yahoo.com for an application.

About South Hills Pet Rescue & Rehabilitation Resort

About Our Rescue Group...

As proud new owners of the South Hills Pet Resort, we have opened our hearts to the world of rescue. Since August of 2013, the resort has aided several local rescue organizations in rehabilitation training and boarding.

With the recent loss of rescue organizations in the South Hills area of Pittsburgh, we have found it our mission to rescue and rehabilitate dogs -- ALL BREEDS WITH ALL NEEDS --- such as in need of shelter from the cold, suffering from abuse/neglect, and those who unfortunately wind up on the euthanasia list.
