

My Name Is:
***HERSCHEL**

I am a neutered blue pit bull. My friends at the shelter think I am about 2 years and 9 months old. I came to the shelter on 7/3/2014.

Hi my first name is Herschel. Fun is my middle name and I am ready for lots of fun with you in my new home! I am a great size at 53 pounds and a great age at a year and a half. I love other dogs and would probably do okay with cats. I love new challenges. I like to play and show you all the tricks that I can do. I am attentive at obedience requests, I sit, stay, wait, and lie down. I know the agility course and I'm a great car buddy. I like to play soccer and I can entertain myself with toys. I am comfortable being in a crate, which will help me be successful with my housetraining needs, too. I need a special person to rescue me from shelter life and share lots of time with me. Are you my special someone?

Volunteer [REDACTED] informed me that when getting Herschel out of his kennel he jumped up on her. She put her right hand out to prevent him from getting out of the kennel, and he bit her hand. This broke her skin on her rt knuckle.
