You do realise he was also charged with sexual assault on a minor, sodomy of a minor, hope he rots , and never walks out, could not c what dogs the peddler bred or sold, he is a maggot, pure and simple in my book.

White's troubles mount

| Text Size |

BY BRIAN K. FINNICUM, EDITOR Thursday, October 2, 2008 4:55 PM CDT New charges have been filed against Albert White, 58, the man currently being held in the Fannin County Jail on charges of 25 counts of felony dogfighting, 21 counts of misdemeanor cruelty and possession of a firearm by a convicted felon.

White is now additionally charged with rape, statutory rape, aggravated child molestation, child molestation and aggravated sodomy, warrants taken out by Investigator Roy Dorn of the Appalachian Judicial Circuit District Attorney's Office.

White has been in custody without bond since his arrest on dogfighting charges July 17. All of the new warrants involve a single, 11 victim, who came forward after White was jailed on the dogfighting charges, said District Attorney Joe Hendricks.

The Appalachian Children's Center in Ellijay assisted with the investigation.

Re: Al White just got 20 years!!!!

Really makes you wonder. It 's like they throw in the other charges to really make him look like the scum of the earth. That way no or sympathize with him. Not that I am defending this person. You just never know. The law will stop at nothing sometimes to turn the ta favor. Hey, for the \$5000 dogfighter tip, the alleged informant could have said Mr. White did all of those things (sexually) to his/her ni

Re: Al White just got 20 years!!!!

i do not no for sure but the police do not just make up shit lik rape for no reason and if it is true then he is a disgrace to dog men eve and i do not give a shit how many good dogs he produced. people like that are the reason the public think that dog men are criminals hear people say close the circle. well if all the other charges are true this man should have never been allowed in to the circle. and do should watch who they keep company with. their are some very respectable and dogmen out their and this man does not make the cu

Re: Al White just got 20 years!!!!

just because he has a rape ALLEGATION does not make it true....or untrue for that matter....

you all need to quit doing what the general public does to our dogs. and give this man the benefit of the doudt....unless you are no be the H\$U\$ and beleive in guilty untill proven inncoent....i for one beleive that one is INNOCENT untill you PROVE to ME beyond a shadd DOUDT that one is GUILTY....

bunch of bigots and fakes around here.....

scream and whine about how there unfair to us and judge us before they prove anything....

then Jump the bandwagon because someone accused someone of something... well f**k me running.....G D hipocrits to hell, where the belong.....

Re: Al White just got 20 years!!!!

Its really hard to know who to trust with stories like these. Especially anything the media says. You throw in a 5000\$ reward and peop anything.
If it is true 20 years doesnt seem like enough for a child rapist.
