Rude dog

I would like to take this time to introduce myself this is Murph McAdams aka Mr Aadr as a founding member of a newly formed Aadr club, loyal friend to its previous ownership and new Aadr staff member I find your

recent postings to be offensive. Its not very clear what your intentions are or if its an attack on the new ownership and its staff.As for your Pull Master award[dated prior to new ownership]I have it in my possession and our intention was to present it to you at the Nationals and thank you for your patients.please conduct yourself worthy of this award if not it will make nice fire wood.

Now to clear the air on your next concern its not the size shape blodline or color of your dog its about the pride the preservation and the ownership of the American Pit Bull Terrier.PLEASE READ THE STANDARD.We as proud members of the Aadr are closing in on our biggest event of the season the Aadr Nationals aka [Aadr Christmas]it would really suck if someone did not come out to show off ther pink blue or green dog and take home an award because of the recent postings we do not discriminate color nor the person on the other side of the leed I ASK THAT ANY ONE WITH QUESTIONS OR CONCERNS PLEASE CONTACT ME DIRECTLY [267]246-6572 REMEMBER TO DIVIDE IS TO CONQUER !! now lets suck it up and KEEP ON SCRATIN SEE YOU AT THE NATIONALS Mr. Aadr
