Omaha, Ne. 68183

Dear Council President Germandt;

Pursuant to Omaha City Ordinance 6-164 the Nebraska Humane Society submits the attached report which provides relevant statistical data on the effectiveness of Omaha City ordinance 6-163 entitled "Pit bulls—Leash and muzzle required".

It is the position of the Nebraska Humane Society that this ordinance has been effective in reducing bites involving dogs defined as "Pit bulls" in the ordinance.

Please contact me with any questions and/or concerns.

Thank you.

Sincerely,

Judy Varner
President and CEO

Sec. 6-163. Pit bulls--Leash and muzzle required.

It shall be unlawful for any person owning, harboring or having the care of a pit bull to permit such animal to be outdoors unless confined in a securely fenced yard or unless the animal is under the control of a person 19 years of age or older, restrained securely by a harness and leash no longer than six feet and properly muzzled to reasonably prevent the animal from biting.

For purposes of this section, pit bull shall be defined as any dog that is an American Pit Bull Terrier, American Staffordshire Terrier, Staffordshire Bull Terrier, Dogo Argentina, Presa Canario, Cane Corso, American Bulldog, or any dog displaying the majority of physical traits of any one or more of the above breeds (more so than any other breed), or any dog exhibiting those distinguishing characteristics which substantially conform to the standards established by the American Kennel Club or United Kennel Club for any of the above breeds. The A.K.C. and U.K.C. standards for the above breeds are on file in the office of the animal control authority.

Provided that a pit bull which is a participant in an organized dog event approved by the authority shall not be required to be leashed and muzzled while outdoors and being shown or otherwise actively competing in such event.

(Ord. No. 38257, § 17, 9-30-08)

Editor's note: Section 22 of Ord. No. 38257 states that § 17 of the ordinance, entitled "Pit bulls--Leash and muzzle required," and codified herein as § 6-163, shall not be effective until January 1, 2009.

Bite Data:

NHS categorizes severity of dog bites by bite levels. Level 1 is the least serious, with level 6 being death.

Below is a description of the varying bite levels:

- Level 1:** Snap and miss (not tracked by NHS)
- Level 2:** Single bite, enough pressure to bruise or scrape
- Level 3:** Single bite, one to four punctures from the teeth, could have caused tearing by pulling away (most bites fall here)
- Level 4:** Single bite, holds on and shakes, or single bite, leaves, bites again more than once, or multiple bites with the jaws moving quickly (unable to count how many)
- Level 5:** Level 4 bite with mutilation or missing parts
- Level 6:** Death

Below is a comparison of Pit Bull bites from 2008-2009, and 2010 through August:

2008 Pit Bull bites: **121 Total**

Level 2: 52
Level 3: 58
Level 4: 8
Level 5: 3

2009 Pit Bull bites: **73 Total**

Level 2: 49
Level 3: 17
Level 4: 4
Level 5: 3

2010 (through August) Pit Bull bites: **28 Total**
