Sire: MBB Tonka

# MBB TONKA

**HEAD SIZE: BIG**

**WEIGHT: OVER 100 plus lb at only 8 mths old**

**REG: UKC / APBT**

**COLOR: CHOCOLATE/WHITE**

**LINES: REDLION AND XTREME BULLY**

**STUD FEE: \$2000**

**Tonka is our BBB ( BIG BONED BEAST)!! Have you ever seen bone like that !? ILL BET YOU NOT !! For only being 8 months, Tonka is already on his OWN LEVEL!! Another boy, produced by us, smashing on other adult males stats. This boy is a winner ! He inherited his perfect temperament from his momma Beauty, and definitely inherited that bone from his daddy Warrior. Tonka has a very short back, very short in height, a head thats unstoppable, and his girth is just insane ! If your looking to add the biggest bone, most correct structure, and Xtreme Bully body , then Tonka is for you ! He will be open for stud by the end of the year ! And trust me, there isnt any other male in Canada that can even compare to him ! LOOK AROUND AND SEE FOR YOURSELF**
