(b) Definitions. The terms used in this section shall be defined as follows:

1. *"At large."* At large means off the premises of an owner or on any public street, sidewalk, alley, or any other public right of way, school grounds, public park, or other public grounds or on private property without the specific permission or express invitation of such property's owner or legal possessor or other person in lawful control of the property, and not on a leash that is held or controlled by a human being. For the purposes of this section, the "premises" of an owner shall only mean that property that is owned in title, or, if leased or otherwise legally possessed, only if leased or legally possessed exclusive of any other shared or common use by any other lessee, legal possessor or legal occupant other than a co-tenant, co-signor or co-legal occupant to or under any lease pertaining to the premises.

A "Pit bull dog" is any dog that is an American pit bull terrier, American Staffordshire terrier, Staffordshire Bull terrier, or any dog displaying a majority of physical traits of any one (1) or more of the above breeds, or any dog exhibiting those distinguishing characteristics, which substantially conform to the standards established by the American Kennel Club (A.K.C.) or United Kennel Club (U.K.C.) for any of the above breeds. The A.K.C. and U.K.C. standards for the above breeds shall be maintained on file by the Municipal Court Clerk and updated annually.

3. "*Vicious dog.*" Vicious dog means:

(b) Any dog that attacks, bites, attempts to attack or bite, or has attacked or bitten, a human being or another domestic animal; however, a dog shall not be a "vicious dog" under this subsection or subsection (a) above by sole reason of having engaged in any of the behavior described under this subsection or subsection (a) above toward, or in relation, to:

1. Any person who attacked, attempted to attack or otherwise accosted such dog or who engaged in conduct that should be reasonably calculated to provoke such dog to attack or bite such person or another person or otherwise engage in behavior reasonably perceived as threatening, including, but not limited, to directing such behavior towards the dog's owner or an acquaintance thereof; or,

2. Any person who engaged in provoking or inciting a dog fight or any form of altercation between such dog and another dog or other domestic animal; or,

3. Any person who engaged in stopping or dispersing an actual or reasonably believed to be imminent dog fight or any form of altercation involving the dog, so long as such dog, in response to any such intervention, was not the aggressing dog in the dog fight or other form of altercation.

4. Any person engaged in attacking or accosting or attempting to attack or accost any other person or domestic animal; or,

5. Any person engaged in unlawful entry into or upon the fenced or substantially or completely enclosed portion of the premises upon which such dog is kept, or into or upon any automobile or other vehicle parked or stored in or upon the street adjacent to such premises; or,

6. Any dog or other domestic animal engaged in unauthorized entry into or upon the fenced or substantially or completely enclosed portion of the premises upon which such dog is kept; or,

7. Any person engaged in unlawful or unauthorized entry into any automobile or other vehicle in which such dog is kept or confined.

4. *"Prohibited dangerous dog."* Prohibited dangerous dog means:

(a) Any dog that has inflicted substantial bodily harm upon, or caused or contributed to the death of any person on public or private property, whose owner, at the time of such infliction or involvement in fatal attack, failed to demonstrate sufficient provocation consistent subsection 2.(b)1-7 to an investigating law enforcement officer or a court of competent jurisdiction; or,

(b) Any dog, caused to be present in this City, from another city, village, town, county or state that has been declared or found to be dangerous, vicious or otherwise given a similar designation by that or any other jurisdiction via a judicial or quasi-judicial process irrespective of whether or not such declaration or finding is in an appealable, final form; or,

(c) Any dog that is, or has been, subject to being destroyed under subsection 174.02(3), Wis. Stats. irrespective of whether such petition or action was disposed of in a manner ordering or otherwise requiring destruction of the dog; or,

(d) Any rabid dog; or,

(e) Any wild animal hybrid, including but not limited to wolf hybrids; or,

(f) Any dog trained, owned, sold, purchased or transferred for the purpose of dog fighting or similar activity.

(c) Impoundment; Vicious Dog Determination, Status. Any law enforcement officer employed by the City shall impound any dog found to be at large, or, reasonably believed, upon personal observation and/or thorough investigation, to have committed or involved itself in one or more of the acts, or otherwise having a presence within the City, in failed conformity with any provisions or requirements under this Chapter and that poses a substantial risk to human health or safety. Any such dog shall be conveyed to the custody of the Watertown Humane Society or other similar and suitable

facility as designated by the Chief of Police. Any dog so impounded shall be held for a period of not less than five (5) days, and, at the end of such period, become the property of the custodial facility unless the owner thereof shall reclaim such dog and pay the custodial facility the reasonable costs of keeping such dog and an impounding fee of ten dollars (\$10.00). Whenever acting under this subsection, a law enforcement officer shall determine whether the dog is a “vicious dog” pursuant to subsection (2)(b)3. In the event that the law enforcement officer determines that a dog is a “vicious dog,” the owner shall be advised of same in writing by the law enforcement officer making such determination and provided a copy of this section and subsections 1-2 below.

1. Appeal of vicious dog determination. Any owner aggrieved by a determination of viciousness, as provided in subsection (c) above, may appeal such determination within fifteen (15) calendar days following the law enforcement officer’s personal service or First Class Mail issuance of the written determination of viciousness to the owner’s last known address. Such appeal may only be taken by the owner’s personal hand-delivery to the City Clerk-Treasurer, with carbon copy to the City Attorney, a written objection to the determination of viciousness setting forth the specific reasons for contesting the determination. Upon receipt of a timely written objection, the matter shall be considered at the next available meeting of the Public Safety and Welfare Committee that is no less than five (5) days from receipt of the written objection. The Public Safety and Welfare Committee shall act as a quasi-judicial body affording the owner reasonable opportunity to present evidence and argument as to why the investigating law enforcement officer’s determination as to viciousness should not be affirmed. A nonrefundable administrative fee of fifty dollars (\$50.00) shall be tendered with an owner’s timely written objection under this subsection.

2. Compliance. After fifteen (15) calendar days following personal service or First Class Mail issuance of the written determination of viciousness to the owner’s last known address, or, within ten (10) days of the Public Safety and Welfare Committee’s affirmation of the investigating law enforcement officer’s determination of viciousness, if any, the owner of a “vicious dog” shall, in addition to all other requirements of this Chapter, comply with all provisions under subsection (e)2 for the balance of such dog’s life. Alternatively, the owner shall, within ten (10) days of the Public Safety and Welfare Committee’s affirmation of the investigating law enforcement officer’s determination of viciousness, dispose or cause the disposal of the dog in such manner that humanely euthanizes the dog.

(d) Owner’s duty with respect to any dog.

1. An owner shall see to it that his or her dog does not go at large.
2. No person may own a dog that does any of the following:

(a) Damages or attempts to damage, any public or private property, except the exclusive private property of the dog’s owner. “Damage” shall include, but not be limited to, defacing, scratching, marring or any type of behavior that contributes to a diminution of value;

(b) Barks, whines or howls in excessive or continuous fashion to the annoyance of any reasonable complainant; this subsection shall not apply to any veterinary facility, humane society or similar entity;

(c) Bites or attempts to bite a person or domestic animal;

(d) Attempts to scratch or otherwise promote harm or engage in any other form of accostment to a human being or domestic animal;

(e) Puts any person in reasonable fear of attack or accostment.

3. Any dog shall be rebuttably presumed to have engaged in any behavior described in subsections 2(a)-(e) above without provocation. It shall be upon the owner to demonstrate sufficient provocation to preclude conviction under these sections. Sufficient provocation shall be demonstrated consistent with subsection 3(b)1-7.

(e) Restrictions on keeping of certain dogs.

1. No person may own a “prohibited dangerous dog.” Any person present with, by any reasonably observed physical association or means of control whatsoever, or causing a presence of a “prohibited dangerous dog” within the City limits, shall be irrefutably considered to own such “prohibited dangerous dog.”

2. No person may own a “high risk dog” or “vicious dog” except in conformity with the following requirements:

(a) Leash.

1. No owner of a high risk dog or vicious dog may permit such a dog to go outside its premises, or a form of secure confinement, unless the dog is securely restrained with a chain, rope or other type of leash no longer than four (4) feet in length. For the purposes of this section, the “premises” of an owner shall only mean that property that is owned in title, or, if leased or otherwise legally possessed, only if leased or legally possessed exclusive of any other shared or common use by any other lessee, legal possessor or legal occupant other than a co-tenant, co-signor or co-legal occupant to or under any lease pertaining to the premises.

2. No person may permit a high risk dog or vicious dog to be kept on a chain, rope or other type of leash outside its premises, or a form of secure confinement, unless a person who is sixteen (16) years of age or older, competent to govern the dog’s behavior and capable of physically controlling and restraining the dog, is in physical control of the leash. For the purposes of this section, the “premises” of an owner shall only mean that property that is owned in title, or, if leased or otherwise legally possessed, only if leased or legally possessed exclusive of any other shared or common use by any other lessee, legal possessor or legal occupant other than a co-tenant, co-signor or co-legal occupant to or under any lease pertaining to the premises.

(b) Confinement.

1. Except when an owner is in conformity with (a)1 and 2 above, all "high risk dogs" and "vicious dogs" shall be securely confined indoors or in a securely enclosed and locked pen, kennel or other structure that is located on the exclusive premises of the owner and constructed in a manner that does not allow the dog to exit the pen, kennel or other structure inadvertently or upon its own volition. The pen, kennel or other structure shall have secure sides and a secure top attached to all sides. Any structure used to confine a "high risk dog" or "vicious dog" shall be securely locked with a key or combination lock when the dog is within the structure. The structure shall have a secure bottom or floor attached to its sides or the sides of such structure must be embedded in the ground at a depth of no less than two feet. A dog may be confined as required under this subsection by its secured enclosure within an area entirely surrounded by a fence of such height, depth of installation, design, structural integrity and strength so as to confine a dog and prevent its ungoverned egress from the confined area. All structures erected to house or confine high risk dogs or vicious dogs shall comply with all zoning and building regulations of the City.

2. Indoor confinement. No high risk dog or vicious dog may be kept on a porch, patio or similar curtilage upon any premises or in any part of a house, building or other structure that would allow the dog to exit the house, building or other structure, inadvertently or upon its own volition. No "high risk dog" or "vicious dog" may be kept in a house, building or other structure when the windows are open or when screen windows or screen doors fail to prevent such dog from exiting the house, building or other structure.

(c) Warning Signage. The owner of a high risk dog or vicious dog shall display, in prominent places upon his or her premises near or about all entrances or possible access points to the premises, signs containing letters of not less than two (2) inches in height and width against a pronounced and visible contrasting color field, warning that there is a "high risk dog" or "vicious dog" upon or about the property. An identical version of such sign is required to be posted on the kennel, pen or other confining structure of the dog. Language such as "BEWARE OF DOG" or substantially similar and effective words shall be conforming to the requirements of this subsection.

(d) Spay and Neuter Requirements. Any high risk dog or vicious dog must be spayed or neutered if it is known or reasonably believed, or observed to be older than five (5) months. The owner of any high risk dog or vicious dog shall possess written proof endorsed by a licensed veterinarian that the dog has been spayed or neutered.

(e) Insurance and special licensing/registration. Any owner of any high risk dog or vicious dog shall, on or before November 1, 2013, and annually thereafter, on or before April 1 of each ensuing year, register such dog with the City Clerk-Treasurer as a "high risk dog" or "vicious dog," and, additionally, provide, at the time of registration, a high quality current color photograph of such dog, supply proof of spaying or neutering and pay a special registration fee of twenty-five dollars (\$25.00). At the time of

registration, each owner of any high risk dog or vicious dog kept within the City limits shall provide verifiable proof of an in-force and effective policy of liability insurance in amounts of at least one-hundred thousand dollars (\$100,000.00) to be paid for any acts of property damage, injury or other liability incurred by virtue of any injury or damage inflicted by such high risk dog or vicious dog. Such insurance shall name the City of Watertown as a co-insured solely for the purpose of notice of cancellation of such insurance policy. The City Clerk-Treasurer shall not issue a license for any such high risk dog or vicious dog” except in conformity with the requirements of this subsection and any license so otherwise issued shall be void.

(f) Multi-family buildings. No high risk dog or vicious dog may be owned or otherwise made present within, upon or about any portion of any multiple living unit dwelling building or upon the lands associated therewith. For the purposes of this subsection, a multiple living unit dwelling shall mean only such building that contains three or more separate living units such as, by non-limiting example only, a building commonly known as a “triplex,” or larger. Real property that has been declared a condominium pursuant to the Wisconsin Condominium Act shall not constitute a multiple living unit dwelling building under this subsection.

(g) Notifications. The owner of any high risk dog or vicious dog shall, as soon as practical, but not more than 24 hours after any of the following events occurrence, notify or cause notification to the Police Department that such dog:

1. Is at large;
2. Has attacked a human being or domestic animal, whether provoked or not;
3. Is dead;
4. Has been sold, transferred or otherwise given away and to whom (with valid telephone number and valid mailing address), for what purpose and for what, if any, exchange of value.

(h) Limit on number of high risk dogs or vicious dogs. The owner of any high risk dog or vicious dog shall not own more than one (1) additional dog.

(i) Orders of Municipal Court and Agreements. No owner may own any high risk dog or vicious dog contrary to any order issued by the Municipal Court or agreement reached with the City Attorney and/or the Public Safety and Welfare Committee relative to the ownership of such dog.
